

CWBG

Automotive-grade power device certification

Certificate No.: NFC2408001

Issue date: August 15, 2024

Dongguan Tongke Electronics Co., Ltd.

No. 3, 3rd Street, Chayuan Road, Ailingshan Town, Dongguan City, Guangdong Province, China

Sample name: Zener diode

Specifications: BZT52C18WL

Implementation standard: AEC-Q101-Rev-E:2021

Test report number: NF230816-01-01

The Songshan Lake Semiconductor Testing and Analysis Laboratory of Dongguan Southern Semiconductor Technology Co., Ltd. conducted relevant tests on the samples sent by the client, and the results met the standard requirements, so this certificate is issued.
